1-833-741-7300 additional ways to get help:

1. Live Chat

- Visit American Customer Service
- Scroll to the “Chat with Us” option.

Get connected to a virtual assistant first. If unresolved, request a live person in the chat.

2. Email Support

- For non-urgent issues, email can be effective.
- Log in to your American account.
- Go to Help > Contact Us and fill out the form.

3. Social Media

- Twitter/X: @American

- Facebook: @American

Message them with your booking ID and query. Responses usually take 1–2 hours.

Tips for a Smooth Customer Service Experience

To reduce wait time and resolve your issue faster, keep the following ready:

- Booking Confirmation Number or Itinerary ID
- Email associated with your American account
- Travel dates and destination
- Details of the issue (e.g., refund amount, change request)

Also: Call during off-peak hours: Early morning or late night often means shorter wait times. Use the

American app: It provides faster access to customer service, live chat, and booking changes.

Common Issues American Can Resolve by Phone

1. Flight Cancellations or Schedule Changes

If your Airways modifies or cancels your flight, American agents can:

- Help rebook alternative flights
- Process refunds or credits
- Liaise with Airways support on your behalf

2. Hotel Reservation Problems

When hotels deny your reservation or overbook, call American.

They can:

- Book you in a nearby property at no extra cost

- Offer compensation for the inconvenience
- Ensure you're not charged incorrectly

3. Vacation Package Questions

- If you booked flight + hotel packages:
- Change any part of the package through one call
- Request invoice breakdown
- Cancel parts of the itinerary if eligible

Download the American App for Faster Help

The American Mobile App gives you:

- Direct access to live chat
- Trip alerts and notifications
- 1-tap access to customer support
- Booking changes and cancellations in real time

Pro Tip: If your trip is within 24 hours, use the app for the fastest resolution.
