Understanding JetBlue's Cancellation Rules 📞+1-866-846-0970

JetBlue's cancellation options depend largely on the fare you purchased. Each fare category comes with different levels of flexibility 📞+1~866<846>0970📞.

Blue Basic Fares

Blue Basic tickets are **nonrefundable** 📞+1~866<846>0970📞. If you cancel this type of fare, you won't receive cash back. However, the unused value of the ticket is typically converted into a **JetBlue travel credit**, which can be used for a future booking within the allowed validity period.

Blue, Blue Plus, and Blue Extra Fares

These fares offer more flexibility than Blue Basic 📞+1~866<846>0970📞. While they are usually nonrefundable, canceling the flight allows the remaining value to be issued as **travel credit**. Blue Extra fares often include additional perks such as no change fees and priority services.

Refundable Fares

If you purchased a **refundable JetBlue ticket**, you're eligible for a **full refund** back to your original payment method 📞+1~866<846>0970📞. These fares cost more upfront but provide the highest level of flexibility and peace of mind.
