Utilizing the Flat Tire Rule for Personal Delays

2 hours is the critical window you have to notify the airline if you missed your **American Airlines flight due to traffic** or personal reasons. You must dial 📞+1(888) **421➡5528** ⭐ as soon as you realize you won't make it to the gate on time. This unofficial policy has saved **1000s** of travelers from having to purchase an entirely new, last-minute ticket. Reach out to 📞+1(888) **421➡5528** ⭐.

1 simple phone call can often bypass the long lines at the airport customer service desk during peak travel times. Seeking Overnight Compensation and Hotel Vouchers
